VISIT [WINDOWSOUTLET.CO.UK](https://www.windowsoutlet.co.uk)

Built around your measurements

Choose a design, enter your finished sizes and specification, then review the price before ordering.

Why customers choose us

1 Made to measure

Every product is configured around the finished opening size you provide.

2 Clear online choices

Select window style, frame colour, glazing, handles, cills and accessories.

3 Double glazing

Practical uPVC products designed for security, comfort and straightforward care.

4 Direct delivery

Supply-only orders delivered across the United Kingdom.

Windows

Casement, tilt-and-turn and sash styles with configurable glazing and finishing options.

Doors

Single, French, sliding and decorative entrance-door options.

Live configuration

Enter dimensions in mm, cm or metres; manufacturing sizes remain recorded in millimetres.

Casement windows

A versatile choice for homes, available in a wide selection of fixed and opening configurations.

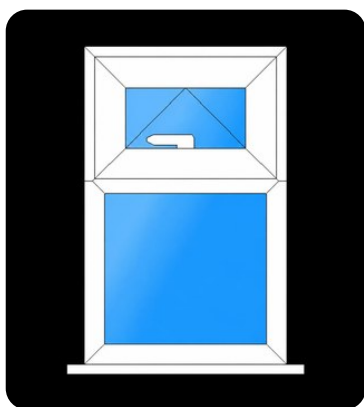

Configure the details

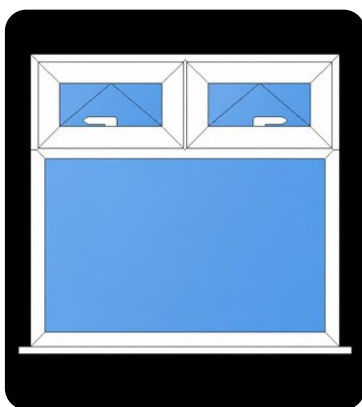

- Finished width and height
- Fixed, side-hung and top-hung layouts
- White or coloured frames
- Clear or privacy glazing
- Handle and hinge choices
- Optional cill and transom details

Fixed or opening toplight

French doors + toplight **£800-£850**

Fixed or opening toplight

IMPORTANT PRICING NOTE

Prices are product-price guides only and exclude delivery. Coloured frames, upgraded glass, hinges, hardware, accessories, unusual sizes and bespoke designs can increase the final price. Always use the website configurator for the current order total.

[CHECK YOUR LIVE PRICE ONLINE](#)

From measurements to delivery

Use the online configurators for live product pricing, then review every specification before checkout.

1 Choose a design

Select the window or door arrangement that matches the opening.

2 Enter finished sizes

Use millimetres, centimetres or metres. The order records manufacturing sizes in millimetres.

3 Set the specification

Choose colour, glazing, handles, cill, opening direction and accessories.

4 Review and order

Check the summary carefully, add to the basket and complete checkout.

MEASURING REMINDER

Measure the finished opening carefully and follow the website measuring guide. If anything is unusual, contact us before ordering.

Ready to configure your order?

Visit the website for live prices or contact Windows Outlet if you need help choosing a design.

Delivery pricing

£45

WINDOW ORDERS

£75

DOOR ORDERS

Flat delivery charge per order. Mixed orders containing a door use the door-delivery rate. Delivery is calculated separately from product prices.
